SHERI HAWLEY

Sheri is an ordained minister with the Assemblies of God. She and her husband, Frank, are co-founders of Family to Family Ministries; a ministry designed to promote health and healing in today's families. Frank and Sheri now serve as senior pastors of Garden Grove Church in Winter Haven which gives them an opportunity to mentor many religion students attending Southeastern University. Sheri served on the North Carolina A/G Women's Ministries Executive Committee for ten years. Women's conferences and seminars are her particular passion such as: District Women's Conferences (Alabama, North Florida, South Texas); church/community retreats in Oregon, Ohio, Florida, and Georgia; Women Ministers and Pastor's Wives Conferences; and church leadership conferences. The Hawley's have three daughters (Kristin, Joy, and Meagan) who are all studying at Southeastern.
