

## Guest Speaker

### GAYLABURT

A graduate of Southwestern Assemblies of God University, Gayla is a worshiper and a musician. She is also vitally involved in mentoring young ladies, but her main passion in life is for his presence. In her words,

she loves Jesus and she loves ladies and she loves to help women and girls of all ages know how much Jesus loves them. She will be sharing with our girls (6thgrade and up) on Friday night in a separate session.
